Dear Sir or Madam,

Pursuant to Section 6 of the Dietary Supplement Health and Education Act of 1994, Tyler Encapsulations wishes to notify the Food and Drug Administration that it will within the next 30 days commence to market a dietary supplement which bears statements of nutritional support.

The dietary supplement for which the statements are made is Dairy Enzyme Formula. The dietary ingredients that are the subject of the statements are protease, lactase, amylase and lipase. The statements of nutritional support are as follows:

1. Dairy diestive supplement.
2. Contains highly concentrated plant enzymes which aid in the digestion of dairy proteins, milk sugar, carbohydrate and fat.
3. Plant enzymes in Dairy Enzyme Formula are active under virtually all gastrointestinal conditions.

I certify that the information contained in this notice is complete and accurate, and that we have substantiation that these statements are truthful and not misleading.

Sincerely,

Jeremy Appleton
Director of Technical and Regulatory Affairs
